Patents 1 - 10 on **master replication schema**. (0.07 seconds)

**Sort by relevance** | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

### Instantiating objects in distributed database systems

US Pat. 6741997 - Filed Jun 14, 2001 - Oracle International Corporation

The user with which a **schema** is associated is termed the owner of the database

... Multimaster **replication** is done in database systems that are master ...

### Method and apparatus for facilitating data replication using object groups ...

US Pat. 5799306 - Filed Jun 21, 1996 - Oracle Corporation

The sname column indicates the name of the **schema** that contains the generated object

... object group, **master** 'Y' indicates that this site is a **master** site. ...

### Method and system for data replication

US Pat. 6615223 - Filed Feb 29, 2000 - Oracle International Corporation

Moreover, many existing systems for LDAP 30 **schema** and system independent change

... for replicating LDAP need for an overall "**master**" **replication** site. ...

### Floating single master operation

US Pat. 6324571 - Filed Sep 21, 1998 - Microsoft Corporation

Thereafter, the FSMO Role Owner attribute on the RID-Master and Schema-Master

objects in domain controller HOC is updated via urgent **replication** to identify ...

### [APPLICATION] Security systems and methods for use with structured and unstructured data

US Pat. 11346586 - Filed Feb 1, 2006

[0618] The syndicated **schema** definition language 7204 may define a **schema** of a

... **Master replication** refers to a **replication** method in which one of the ...

### Schema evolution in replication

US Pat. 7162689 - Filed May 28, 1999 - Oracle International Corporation

**Replication** complicates **schema** evolution, because copies of ... In large-scale

distributed database systems with many **master** sites, quiescence of every ...

### Data storage and access employing clustering

US Pat. 7069267 - Filed Mar 8, 2002 - Tririga LLC

10 The **master-master replication** strategy is an order of magnitude more difficult to

... As used herein the term "**schema**" refers to the organization or ...

### [APPLICATION] Directory server schema replication

US Pat. 10003040 - Filed Nov 2, 2001

Note that this **granularity** only applies for **schema replication** to simplify implementation. [0053] **Schema** is typically maintained on a **master** supplier server ...

Method and apparatus for heterogeneous network management

US Pat. 6061740 - Filed Jul 15, 1997 - Novell, Inc.

The **schema** defines the rules for adding and managing objects and attributes ...

A **replication** system is used to replicate or synchronize different objects ...

Method and apparatus for directed data propagation

US Pat. 6047289 - Filed Nov 7, 1997 - Novell, Inc.

The **schema** defines the rules for adding and managing objects and attributes of

... A **replication** system is used to replicate or synchronize different object ...
